

Knapp Community School

85%

Of students enrolled in after-school programs had ZERO office discipline referrals.

Hours of programming provided to students outside of the school day, equal to more than 60 extra days of school.

600+

The LIFT (Link and Inspire for Tomorrow) strategy implemented at Knapp Elementary School--Racine County's first Community School--connects families of Knapp and the surrounding neighborhood with resources focused on academics, family relationships, health, and social services. The Community School is a joint effort between United Way of Racine County and the Racine Unified School District.
